The website is run by Tarvin Parish Council. We want as many people as possible to be able to use this website. For example, that means one should be able to:

- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader

We have also tried to make the website text simple to understand
